Just when you thought the world was coming to an end, 100% independent sunrise breaks from the Brooklyn underground bring a soft, nonchalant chill out sound to the rescue. Full of true AM vibes. Barbecue Beets II more than delivers on the high expectations create by the first Barbecue Beets comp. This time, DJ Olive and James Healy dish out the Agriculture treats. A tag team barbecue of all the back yard and roof musik classics for a full and hearty fluid feast that keeps your ass engaged. From lazy to jump up funky dub&bass by Once11, Nettle (aka DJ /Rupture), Lloop, DJ Olive, qpe, Sub Dub, Badawi, and much much more. Check all these cooks out and check their solo releases on the Agriculture. Make a barbecue with your friends and slap this on. Need to clean your kitchen? Slap this on. Workin' in the chillout room in an off the radar warehouse jammy? Slap this on. Need some riotous jeep beets for your feet? Slap this on.
